tyler stock is an acoustic artist displaying his influences of pop, blues, and jazz in A Cure for Awkward Silence 7 MP3 Songs POP: with Live-band Production, BLUES: Acoustic Blues Details: Tyler Stock was born and raised in St. Louis, MO. He has performed in a wide variety of ensembles; everything from four-piece punk rock outfits to 16+piece jazz bands. His eclectic brand of music grows deep roots in the soil of a multitude of genres including acoustic jazz, folk rock, pop, alternative, and blues. When he sings his songs of love, heartache, desire, and insanity he has been known to turn more than just a few heads. You just never know quite what to expect. One minute he may be laying down and infectious beat-box groove or pouring his heart out over the piano or acoustic guitar, the next he minute he may be transforming the stage into a circus with his music the stage being the canvas for the circus he is notorious for painting.
