CLASSICAL: New Age, CLASSICAL: Contemporary Details: Mer Boel Ruth Roland on violins, Hank Roberts on cello, Tim Reppert on bass. Mix of duo, trio, and quartet arrangements of original Name Music compositions by Mer Boel. "I love the flow of this CD, Mer. All the pieces feel deeply connected and interrelated. Strands of phrases were dancing in my head when I woke up this morning. I could just lay there and listen and not start thinking about the BIG SPEECH... yet. Thank you. There is a vibrational continuity that creates a resonance inside my body mind and heart at a deep cellular level. It feels like how I feel at a live performance. Deeply connected to you and the music." - Ellen Booth Church, early childhood educator.
