Details: Y DAVE That's the question? Sometimes I ask myself that question too. Why would God choose a man like me. When I've been involved in some of the most deadliest games Satan has to offer and some of the darkest sins known to man kind. God with his never changing love looked from his holy habitation and seen that I needed his loving hand to make it in this dieing world. He forgave me and gave me a new song to sing. The devil got wind of this and fought me with everything hell had to offer. First I lost my son at child birth my next child a girl was born blind my second son was born with sickle cell and to top it all off I had a mild heart attract at the age of 36 and was homeless. After all I've been through God never left me. I took the stand to praise the Lord through music even more. I decided I would shake the power of hell with the power God has invested in me. This cd (against all odds) means just that. I've been through so much that I can say it was all worth it, so God can get the glory. To all who believe in God remember it's just a trying of your faith it all works together for good. Y Dave (Against All Odds)
