Definitely a main room track Arkoss started out in the underground music scene in the late 80s and early 90s at the age of 15. He experienced first hand the start of the rave culture that soon took over the world's club scene. From House Garage, to Hardcore, to Drum and Bass, Arkoss was there in the outdoor raves of the early 90s and the illegal warehouse parties from Labyrinth, Enigma, Xseduss and Spiral Tribe - to name a few. Arkoss passion for House and Dance music grew and became a way of life for him. He began DJing running his own club nights at a very young age. Fast forward to the present day and Arkoss is a main key player in the London underground house music - from radio shows on Londons biggest underground station to playing in prominent London clubs. As well as being a DJ/producer, he is also the main key player at the hugely popular event, Funkinyou at Koko in Camden, London. Which is without a doubt Londons biggest monthly house night, managing to hold its residency at Koko since it launched in 2004. One of the reasons for this club nights amazing success is Arkosss amazing sets and continuous energy, which gets the crowd rocking till the very end of the night. Arkoss is also part of long running successful house night, Promised Land - a night devoted to classic house music that takes you back to the Summer Of Love 88-89. Arkoss has been producing his own music for a few

years and has some awesome new productions that will be released this year. He is getting huge support from big names such as Roger Sanchez, Axwell, Stonebridge, Steve Angelo, Tocadisco, S.O.S (Demi//Omid 16B//Desyn), Herd Fitz, Soulavengerz to name but a few. There is no doubt this promising new artist will blow up into a HOUSE-hold name by the end of 2009!
