

Sustainability, Participation & Culture In Communication

[DOWNLOAD HERE](#)

At a time when sustainability is on everyone's lips, this volume is one of the first to offer an overview of sustainability and communication issues - including community mobilization, information technologies, gender and social norms, mass media, interpersonal communication, and integrated communication approaches - from a development and social change perspective. Drawing on contemporary theories of communication as well as real-world examples from development projects around the world, the contributors showcase the increasing richness and versatility of communication research and practice. Together, they make a case for adopting a more comprehensive perspective on communication in the areas of development and social change. Publisher: Intellect Ltd Illustration: N Language: ENG Title: Sustainability, Participation & Culture in Communication Pages: 00000 (Encrypted PDF) On Sale: 2013-03-19 SKU-13/ISBN: 9781783200719 Category: Social Science : Media Studies Category: Education : General
