Enid Blyton is known throughout the world for her imaginative children's books and her enduring characters such as Noddy and the Famous Five. She is one of the most borrowed authors from British libraries and still holds a fascination for readers old and young alike. Yet until 1974, when Barbara Stoney first published her official biography, little was known about this most private author, even by members of her own family. The woman who emerged from Barbara Stoney's remarkable research was hardworking, complex, often difficult and, in many ways, childlike. Now this widely praised classic biography has been fully updated for the twenty-first century and, with the addition of new colour illustrations and a comprehensive list of Enid Blyton's writings, documents the growing appeal of this extraordinary woman throughout the world. The fascinating story of one of the world's most famous authors will intrigue and delight all those with an interest in her timeless books.
