

Leadership In A Challenging World - Barbara Shipka

Leadership in a Challenging World is about a journey to wholeness. The whole self is sacred and required in order to lead well in the complex world of today and tomorrow. Divided into 3 parts, the book begins with the metaphor of the forest for the world, with both its demanding challenges and its magnificent possibilities. Part 2 uses the metaphor of walking on a path to suggest eight subjective human powers that are essential to leading in business today and tomorrow. Finally, part 3 describes an ancient basis for the powers and shows how they can serve to bring balance to each other that results in human wholeness.
