The young college student, a former white-collar criminal sees as a means of realising his fantasy of becoming the Master of his very own black girl, is not only unwilling to play ball but soon has similar fantasies of her own in regard of him. Needing money to complete her education, Leaha Johnson takes employment with Dick Miller, a self-employed broker with a shady past. When she discovers the nature of

his fantasies in her regard and stumbles across incriminating files that could put him behind bars for a long time, the possibilities her new found power offers are too tempting to pass up and the hapless Miller finds himself in a situation diametrically opposed to the one he has hankered after for so long. Now he will be the one with a master. A black master. WARNING: Story contains scenes of an explicit sexual nature.
