This is the sound I've been having in my ears for years. All the music I've been listening to, jazz, soul, hip hop. This is what this project sounds like. It's clear I love Fender Rhodes, and I love the rimshot and I love groovy bass melodies. Nu Soul and 18 MP3 Songs in this album (73:02) ! Related styles: URBAN/R&B: Neo-Soul, URBAN/R&B: Urban People who are interested in Erykah Badu Jill Scott Jaguar Wright should consider this download. Details: Alessya is an italian songwriter, she loves soul, nu soul, jazz and all around black afro-american music. She is the leader and the singer of the project N.S.EX. (Nu soul Experience), she's got groovy musicians and fantastic feeling. The group is formed by different musicians coming from different style of music experiences: but they're walking on the same pad, the pad of the groove! A mix of jazz, hip hop, funk and whatever influences them, that's what their music is all about! She's been recording her new and first solo album "PG Major 7", with 13 original tunes (written in both english and italian) and only a cover: I need love, by the famous rapper LL Cool J. She is also one of the Boop Sisters a female jazz vocal trio @ their new and second album "Bibidi Bobidi Boop" produced by Alfamusic. She's been working with her vocal trio in important tv national and radio programs, she's been singing in the most important jazz festivals and clubs in Rome and Italy. She's also collaborating with an other original project, named SOUL BASEMENT, with the musician Toriano.
