

Mp3 Andrew Blyth - Guitar Concerto

[DOWNLOAD HERE](#)

A classical guitar concerto comparable to the well-known guitar concertos of the past century. Also included are three short songs arranged for guitar and orchestra. 6 MP3 Songs CLASSICAL: Orchestral, CLASSICAL: Concerto Details: Australian composer Andrew Blyth has been producing music for many years but has recently turned to digital music technologies to make his music available to listeners around the world. Recognising that classical music has become a museum artefact, Andrew is one of the few living composers who has sought to develop a new, fresh style that will reinvigorate the artform. This new style is both expressive and immediate and draws on the best traditions of both classical and popular styles in order to create a listeners music. It has strong melodies, clear harmonies and rhythmic vitality.
