Audiofilia gives you that feeling that makes you smile with a tear in your cheek, while you think "life is beautifully weird and weirdly beautiful" 15 MP3 Songs LATIN: Rock en Espanol, ROCK: Modern Rock  
Details: It is a project created by David Ramos Santoni , lead Singer and composer of the SKA band Skapulario for 14 years. Is now in his debut with modern alternative rock, british rock genere with electronic details, and some influences of the "Glam Rock", "Pop Rock" and "Punk Rock". Integrates instruments such as: Electric guitars, acoustic guitars, acoustic Piano, Keyboards, Bass and Drums. The music production characterizes by its "Mood Swings" from a total sonorous violence, with subrealistic voices and guitars... to the tranquillity that is breathed in a piano accompanied by silence. The Irics mainly is based on: lucid dreams, reality, the fiction and the incognite of: life, the death, the love and the eternal thing... His first production "Alterego" originating word of Latin "the my other I", offers a different perspective never before seen in David Ramos, is another personality, another atmosphere, another interesting and very different sonorous dimension.
