An unstoppable vision 12 MP3 Songs GOSPEL: Contemporary Gospel Details: The word of God tells us that we can do all things through Christ that strengthens us. It is only through Christ that we are able to write and produce these anointed songs of praise and worship. We strongly believe that you will be blessed by hearing them. "Consolation" is a song that I wrote in loving memory of a very dear friend, Evangelist Fred Frazier, who was a fine minister of the gospel, a very gifted singer, and songwriter. He departed this life in Christ late December of 2004. Others who were instrumental in this project were Renee Lewis, Tony Brassfield, Hubbard C Brown, Wanda H. Ross, Jeremiah Stevenson, Wayne Spires, Lanard Swinney, and Regina Stucky. Thanks a lot for your time and effort, and may the Lord continue to richly bless you and keep you. About the Artist: Bobby Earl Lahmon, age 46, was born November 11, 1959 in Drew, Mississippi. Unlike most artists, I did not come from a family with a musical or religious background. As long as I can remember, I've always had a passion for music. My father bought me a cassette/tape recorder when I was 10 years old, and it seems as if I've been recording from that time on. At age of 20, I accepted The Lord into my life and shortly after, I discovered I had an anointing upon my life to write songs and play music. I had no formal training at all. It was only a gift from God. Despite many obstacles and setbacks, the Lord has blessed me tremendously. HEAVEN I know that there is a heaven There is a heaven up above And I know it is a place that is filled with God's love There'll be no room for backbiting no room for misery or strife I tell you we've just got to treat we've got to treat each other right If we can't treat each other right If we can't stay in this fight Forget about seeing The Lord If we don't have a pure heart (Repeat song) CONSOLATION There was a time in my life I thought my trials would defeat me There was a time in my life I thought my troubles would beat me (Repeat X 1) There was a time in my life when so all alone There was a time in my life when it felt like

all hope was gone CHORUS I found consolation I found consolation I found consolation I found
consolation in God's word YOUR WAYS I'll never fully understand the wonders of your grace You're
awesome at best Lord is the least that I can say I'll never fully understsnd the wonders of your ways But
Lord I'm thankful for you blessing me every day You told me in your word Lord that your ways are not
mine And Lord you told me that your thoughts are so much higher x 1 CHORUS And that's why I'll never
understand I'll never understand your ways (Repeat song)
