We are all solo artists on this project 15 MP3 Songs GOSPEL: Contemporary Gospel Details: This in my opinion is our best project yet like everybody else we record every song as a group but if the truth be told each and every member of the group are highly gifted singers songwriters and musicians all solo artists in their own right and this is a project that brings some of the background talent to the forefront. Everybody on this album is a solo artist (Cynthia Moore) God has smiled on me, (Wanda H. Ross) As the deer, (The late Calvin Williams) His eye is on the sparrow, (Regina Stucky) Blessed assurance and God's people a song in which she wrote herself a few years ago, our keyboardist (Lanard Swinney) does his own solo Trk. 7 we call it Lanard's solo, Our band (Nu Generation) does their solo on trk. 8, I would also like to thank my friend, brother in The Lord and fellow singer songwriter and gospel producer (Adam T. Sanders) for helping me out on the keyboard on 'Blessed' good job Adam, let us not forget our drummer (Jeremiah Steverson), Our saxist (Wayne Spires) and last but not least our background singers Covenant of praise.
