Gutsy Heartland Rock Roll songs that leave you wanting more. 10 MP3 Songs ROCK: Roots Rock, COUNTRY: Country Rock Details: Singer Songwriter Born in Tacoma Washington, and moved to New Jersey at the tender age of three, she grew up in a small town, Flemington NJ where Christine Martucci was destined to be a singer songwriter. She grew up with music all around her. "our family was like the Partridge family, every Sunday after dinner my Dad said get the instruments and Bam! We were all jamming!" God I loved that"...one Christmas when I was nine my Dad bought me a Fender Strat..I was like wow, what the heck am I gonna do with this?" Make Music! and music she did! Christine has a diverse unique singing voice, plays guitar and writes her own songs. She has been playing out professionally now for over 10 years, and each time she goes on stage it is with more energy and pizzazz then the last! This is a true Rock and Roll performer, her influences range from Tina Turner, Bessie Smith, Aretha Franklin, to the Rock styling of Janis Joplin! "I want people to walk away from my shows and be like-WOW! what the heck just happened I think I've been galvanized!" "I WANT MORE!!!!" Press: When I first heard her sing I thought Janis (Joplin) had come back to life. And Christine writes her own songs too. I predict great things ahead for this newcomer." TigerMix "Rock Roll Heaven called and Janis Joplin just loves Christine Martucci".....Bob Makin of the Courier News The "Christine Martucci Band" recently advanced to the final round of the "Cabo Wabo" battle of the bands competition where people can vote for her song on line for a chance to open up for Sammy Hagar.
