Adult Contemporary Soul/R&B...with a Jazzy twist. A powerful combination of funky jams and smoothed out progressive pop/jazz. Combining crafty songwriting, honest lyrics and tight harmonies over lethal beats, Confidence in You transcends genre boundaries 13 MP3 Songs URBAN/R&B: Contemporary urban, JAZZ: Jazz Vocals Details: Get ready for a powerful combination of funky jams and jazzy grooves, held tight by catchy songs and top-notch musicianship. Daniel 'Dano' Austin's Confidence in You is a fresh, totally original arrival. His music offers a positive outlook in a negative world. Laying down fresh songwriting, honest lyrics, creative production, and tight harmonies over lethal beats, Confidence in You, offers a new direction. An electrifying new sound that transcends genre boundaries - classy but not easily classified. Evoking influences ranging from Stevie Wonder and Earth, Wind & Fire, to the Neptunes and Seal, Confidence in You is one of the standout releases of the year. Daniel began his musical journey as a classically trained pianist and singer. After discovering jazz, old-skool soul and funk, he progressed to playing keyboards and singing with the best of LA's R&B and fusion bands, which included players associated with The Gap Band, Rose Royce, Prince, and Aretha Franklin. This fostered friendships and collaborations with the stellar crew featured on Confidence in You. Most recently Daniel was the lead singer and keyboardist with Tyghtship, known as the funkier band in Southern California. On Confidence in You Daniel Austin successfully carves out a unique musical niche. Artfully combining the best of jazz, funk, R&B, and pop, with a singular vision. Listen... This new voice has found a way to fill a long-standing gap in the musical collective. Future projects will find Daniel producing and playing with other creative artists, in addition to offering songwriting and production for film/TV and advertising. .
