"From the West Coast". Another Compton/Los Angeles based group, this time with a twist. Disciples of the Most High are bringing you a, "NEW CLEAR UNDERSTANDING OF HIP-HOP", from their perspective growing up in the "Hub" of madness..... 6 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: West Coast Rap Details: Disciples of the Most High is hip-hop with a gospel theme. I guess you could call it "redeemed rap". We want to let the world know that Christianity is not a weak or a soft religion, but a very powerful relationship with God Himself. DOMH's purpose is to let the world know that the enemy has sold them a ragged bill of goods leaving them distressed and defeated. In Christ, we can live victorious lives without the despair of drugs, gang violence, and the fear of death. We rap because the God that lives within us loves this world so much that He gave His only begotten Son. We rap that you may have a contemporary view of what Jesus did at Calvary. We rap that you may understand how Jesus works in the lives of each and every man that willfully accepts Him as Lord and Savior. We rap because the message of God is the same, but the methods in which we convey His message need a facelift.....GET YOUR "WARFACE" ON!!!!!!!!!!
