

# Mp3 Gayla Drake Paul - The Next Hill

[DOWNLOAD HERE](#)

An Ivanhoe Road Re-Issue - including the legendary Samurai in the Cornfield. 13 MP3 Songs in this album (51:05) ! Related styles: FOLK: Modern Folk, FOLK: like Ani People who are interested in Michael Hedges Joni Mitchell should consider this download. Details: This limited edition release from 2000 has been re-mastered and re-issued, with some bonus tracks, including the legendary Samurai in the Cornfield, a virtuosic solo guitar piece encompassing fingerstyle, flatpicking and tapping. The songs are reflective, introspective and masterful, and Gayla's voice whispers, soars and growls throughout. Her chops are in fine form, showcasing the eclectic and poly-rhythmic right hand techniques that are her signature. A must-have for all Gayla fans!
