Leonard Cohen meets Johnny Rotten and everybody has a good time getting a bit crazy and a bit religious and a bit cuckoo cuckoo cuckoo. 10 MP3 Songs FOLK: Folk-Rock, COUNTRY: Alt-Country

Show all album songs: Nails and Crosses Songs Details: The jungle juice factory is not making them like this anymore; It's not that they broke the mold, there never was a mold to break. How did he get here? Who is he really? Why haven't you heard of him? Why isn't he famous? You won't find any of the answers to any of these questions here. Nor will you find them on his website, or in his songs. This guy is not of this world friends. Fiends. What does a Grecian Urn? How much can a Miss take? How far should a Mango? What can a didgeridoo? Etc. Ho hum. When it's springtime in New Zealand it's very cold in Greenland. Think about that for a while. If you have got this far dear reader I suggest you take the big move and buy the CD. Life is full of difficult decisions, and this in not one of them. Just send the money and be done with it. The more you listen to the songs the happier you will be to be you and not me; that alone is worth the price of entry right there. So don't delay. Buy a few. Be the first in your block to own Nails and Crosses. Over and OUt. Planet Ewbank to Earth. Planet Ewbank to Earth. Planet Ewbank to Earth.
