His music has drawn comparisons to the sounds of Cat Stevens and Jim Croce, inspirational acoustic ballads, not bubblegum pop 12 MP3 Songs FOLK: Gentle, GOSPEL: Contemporary Gospel Details: Liams music has drawn comparisons to the sounds of Cat Stevens and Jim Croce. Despite his former indy rock band experience, he has returned to his acoustic ballad roots where a song must be able to stand on its own just the artist and their guitar. Liams debut CD finding id , is a collection of songs that reflects our common journey a journey to find ourselves. Music touches our emotions. Emotions are the language of the soul. Songs have many dimensions which may touch us; the voice, the melody, the musical arrangement, the lyrics or simply the way the whole song makes us feel. Whatever intangible quality permeates your being, it is my hope that you allow yourself to be touched at this deeper level, beyond the physical confines of this costume that we call a body. When the spirit harmonizes with the body, we become whole.
