Mosey is a folky Texas-Americana fusion duo. 12 MP3 Songs FOLK: Modern Folk, FOLK: Folk Pop

Details: In September 2004, aspiring singer and grad school dropout Kari Basden moved to Texas and met fellow grad school dropout/singer/songwriter/science teacher Jared Dobbs. The two quickly fell for each other and got hitched. What was once the Jared Dobbs Band soon became a charming Texas folk duo. To avoid such cumbersome names as the Dobbses, The Dobbs Family Band, The Jared Kari Dobbs Band, the Dobbseseses, they decided to go with Mosey. This simple, quaint name not only reflects their laid-back Americana style, but also is a reminder to slow down and mosey a little in life.
