Details: After 12 Years of criss-crossing the globe playing beer soaked and smoky clubs, the New Duncan Imperials asked their fans to vote for their all-time favorite songs. So what you have here is the result of the fans' choices of the most glorious, squalking, chaotic, and inspired songs of the band's brilliant career. All the songs about food, sex, sex with food, and drinking are here. Throw in odes to carnival rides, celebrities, and trailer park living, and the whole greasy hairball of NDI's career will come tumbling out of your speakers.
