Second album with fresh new beats from NorthStar 17 MP3 Songs HIP HOP/RAP: Hip Hop, ELECTRONIC: Dance Details: NorthStar music is the beginning of a new age in Canadian Hip-Hop. NorthStar's neilshanil was born and raised in Guelph, Canada. neilshanil moved to Toronto, Canada in 2000 to study Radio Broadcasting at Humber College. That is where he met Master Yoshi (a.k.a. Inov8r Yoshdawg) and where their studio chemistry started to develop. neilshanil realised his goals were accomplished sooner than he expected: On-air performance and On-air production. Those are the same skills that contribute to the sounds of NorthStar. The lyrics written by neilshanil are about his life and what he has experienced. Many young people can relate to these things, as we all go through trials and tribulations in our lives. From highs to lows, living in Guelph and T.O., you will know the sounds of NorthStar are pure and original.
