Soulful, Funky House Music 5 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: House Details: in an hour Pins and Needles Records are pinsandneedlesrecords A collective of talented producers, singers, songwriters and musicians who set out to create new and innovative dance music. Rob Reid is the musical genius behind Pins and Needles Records who made this album possible. Writing his own songs, and thus becoming an established, talented singer/ songwriter in his own right. Having moved into music production in recent years, Rob's creative genius has found a new platform in which to develop and shine. Rob's music is a mixture of soul, disco, house, funk, R&B and pop, he is able to combine these styles to create an exciting original sound. Being a proficient singer, Rob is aware of vocal technique and quality of sound. He is able to bring out the best in his singers. This unique quality of Rob's, combined with his fresh approach to the arrangements of his songs and music production is fast making him a well sought after producer and song writer. Rob's music is appealing and popular. A great appreciator of most genres of music, particularly soul and rock, Rob has found inspiration in the artist's; Curtis Mayfield, the Funk brothers, Millie Jackson, David Bowie, and Stevie Wonder.
