Mp3 Rachel Scott - Ain't No Lady

DOWNLOAD HERE

An eclectic mix of Hip Hop, RnB and Pop fusing electronic music with her unique style delivering an aural tour-de-force. 15 MP3 Songs HIP-HOP/RAP: Hip Hop, POP: with Electronic Production Details: Rachel Scott is a young diva from the South West of England. With her music she brings her own unique style to the table taking influences from Hip Hop, RnB, Pop and embellishing it with a healthy dose of electronic music. Having lived and breathed music for her whole life she has covered so many different aspects within the industry singing live to packed venues across the UK, through to recording her voice for other artists until now when she has recorded her voice for her own album! We bring you Aint No Lady an eclectic mix of styles evolved into a new breed Rachel style! Despite facing many challenges along the road she has produced an album worthy of having a place in most peoples music collections. Check out the myspace page for more audio snippets and more! myspace.com/aintnoladyuk
