Soul with rhythm and beat Saint Bobbie confesses it's what she wanted with a lover, but discovered true love is not a gender... She makes you think; Listen, cause its a story in a song. Like nothing you've heard. Her voice is a palace. 11 MP3 Songs COUNTRY: Country Blues, GOSPEL: Country Gospel Details: BobbieJean! Next to talking, singing is my favorite thing. I'm learning how to write. There are times when all I want to do is pose for a pretty smile. It's so easy to smile pretty, but most of us forget, to smile you know. Most rather do the difficult thing, frown! Smiling takes mere lips, try it smile without moving anything but your lips. Don't show your teeth, just lips. Good! Frowning takes forehead, eyes, space between the eyes, chin, lips, jaws and a messed up face, see you are already... A smile on the other hand can be done without the lips. Try smiling with your eyes only. Now make your ears laugh! I met true love and I've never been the same. What is this mere gender love? It's love for flesh, yourself, others' a favorite parent, your best girl, so limits us... But if you discover a more perfect love: to love the "spirit" of God, the Almighty in three persons WOW! Man that's 'hot stuff'. It makes you love the unlovable, love every moment of your life, love the rainy days and enjoy the refreshing water that washes and cleanses the filth and causes growth. Rain helps us to appreciate the sunshine better. I'm learning how to write! Be patient with me, I like this stuff... Are you going to listen to my new songs or just listen to me talk? But wait, pay attention... ....Have you ever felt like you were unimportant? That's when I wrote "Between the Raindrops"(Poem) That's the poem that birth my song track #5 "Sea Cover Me" Listen, there is a bit of space between the raindrops that is so undiscovered, hardly noticed, so necessary, never talked about but is everywhere, absolutely everywhere. There is a gift inside of you, that needs to be discovered today and when it is discovered it will put you everywhere and any where you never knew you wanted to go. You are so important to our Lord, He made you and when you learn how to love Him first, 'think about

Him' forget about your hurts; forget about who hurt your pain. I say remember who really taught you how to smile 'cause He's Thinking About You (Ps 139NTB)
