He likes performing, but his main focus is always on writing a great song. He is currently interested in writing songs for established artists and popular media like movies and television. So, for those of you out there looking for your next hit - you may want to have a listen! If you're looking for a song for your next film, T.V. show or commercial - this stuff is worth checking out! "I grew up listening to the Allman Bros. Lynrd Skynrd, Fleetwood Mac, James Taylor, Linda Ronstadt, Crosby Stills Nash Young, Creedence Clearwater, Joan Baez, Seals and Crofts, all of the great singer/songwriters, Stones, Aerosmith, and then my Mother listened to the sixties, so I got to hear alot of that, Motown, Beatles, etc. And my grandparents listened to country, Tammy Wynette, George Jones, Waylon Jennings, Willie Nelson, Hank Williams, etc. So...I really don't know what I am as far as genre. I just like music.....I even listen to classical music, funk, R&B, Soul, Alternative, you name it." Contact info: P.O. Box 663 Live Oak, FL 32064 (386) 688-2869
