Bollywood - music for dreaming, dancing and enjoying. Very special is an indian drum for oriental - indian dancers. 10 MP3 Songs WORLD: Bollywood, WORLD: Indian Pop Details: Shaddai played her first musical instrument at the age of ten. At secondary/grammar school with emphasis on art and music she learnt to play piano, violine, accordion and whole knowledge about the theory of music. After high-school graduation she began oriental dancing and founded the Oriental Dancing School in Augsburg/ Bavaria. She began learning Tabla. She finished Oriental studies, Egyptology and Theatre Study at the renowned Ludwig-Maximilian-University at Munich. In the same time Shaddai had numerous national and international appearances at reputable theatres and companies. Till then her dancing school is probably grown to the largest school in Bavaria and belongs to the large schools in Germany. Shaddai designs and sews all her costumes by herself, she paints the sceneries for her performances, produces her own advertisement, and choreographs her own dances and the dances of her performance classes. The only missing part was her own music. And here it comes: all titles are played, arranged, composed and produced by Shaddai.
