Southern Style Hip Hop/Rap 8 MP3 Songs HIP HOP/RAP: Southern Style, URBAN/R&B: R&B Rap mix
Details: smallville usa: thug life Smallville could be your town or your city some where in the world. But Smallville USA, was Georgias best kept secret five young men who live in a small town in Georgia called Monroe, just down the road from big Populated areas like Atlanta. Ga New York City, and also Los Angeles, Ca These young men love their little town but like writing song about big city life that they hear so much about You can see that they have they own southern dynasty style These five young guys have been making beats mixing music Since Childhood, If you ask them what they want out of life they will tell you to be the best in what we do. Smallville USA isn't just another hip-hop group but a movement that's going places. The Entertainment world will welcome them into the bright light of stars. NO" matter who you are, Of where you from, if your heart is in it, You can do it, Go for it, Because we believe that the one who pray together stay together and thats music. We want to thank Mr,Walter Foster and his Management Group Golden Future Production for having faith in us.Because 34# years ago Mr,Foster founded another famous group that the world know as Kool and the Gang,and also he played a big part on the road with the God Father of Soul James Brown show during the 60s&70s So Thank Mr,Foster, From Shadow"Geronimo"Phezo"King Thrilla" and Mr,Unknown" Call us Smallville USA.
