From old time apalachia to the for front of new acoustic. From high lonsome harmonies to classical motifs and improvisation. This is a must have record.. 17 MP3 Songs COUNTRY: Bluegrass, FOLK: Power-folk Details: "Bluegrazzical" "like a banjoist venturing down from the Appalachian Mountains to visit the Village Vanguard in New York City, but never changing out of his overalls. "I say personal favorite simply because of how enjoyable an album their upcoming release, "Curve in the Road," is proving to be. Littered with creative solos, honest vocals that could've only been sung from a smiling mouth and a collective tightness usually reserved only for seasoned bluegrass veterans, the album is a progressive necessity to a genre steeped in tradition."
