Take crafts organic downtempo instrumental hip-hop thick in layers and rich in melody. Take is an Artist to watch. 'It is the surprise record of the week.' Justin Kleinfeld -CMJ 8 MP3 Songs ELECTRONIC: Down Tempo, HIP HOP/RAP: West Coast Rap Details: Los Angeles DJ/Producer TAKE returns to the scene for his third and best release to date. 'Third Story' is 28 minutes of instrumental downtempo hip-hop that appeals to fans of Madlib, Fat Jon, RJD2 and Prefuse 73. Armed with a sampler and dusty milk crates, TAKE crafts an organic sound collage thick in layers and rich in melody. This eight song EP has a little something for everyone. 'Some ill shit. Tracks that sooth, holler and don't disappoint. Set a date with this one!' - Jointz Magazine 'LA based producer TAKE puts junk in the trunk of the hip-hop low-rider, awakening the soul roots of modern hip-hop' - XLR8R Magazine. 'Strokes of psychedelics cut in a downbeat haze like a clashing of DJ Shadow and Boards of Canada in Mr. Rogers Neighborhood. The surprise record of the week' - CMJ.
