A collection of the hits of this famous Southern Gospel family, recut and re-arranged with today's technology. 10 MP3 Songs GOSPEL: Traditional Gospel Details: Southern Gospel's first family, The Blackwoods, with a release of their most popular songs they have recorded over the years is now available on CD. Included on the CD are songs featuring James Blackwood, his son, Jimmy, Terry, RW, Jr., Mark, daughters, Kaye and Andrea, wives, Donna, Kristi and a host of friends who have sung with the Blackwoods over the years. There are three songs by the sons of the original members, singing their dad's songs. One special song, included on the Gaither Homecoming video from Memphis, has a recording of the original Blackwood Bros. Qt. singing the first part and the second part has the sons singing the same song in the same key. This is a very special song that Blackwood fans would love. Included with the CD is a history of each song recorded and it's significance to the family. There is also a family tree which tells Blackwood fans who belongs to who, along with pictures of the original Blackwood Bros. Qt. This will be a great addition to your library of the Blackwood collection.
