Silky Folk Rock, with a twist of sandstone, quartz, granite, lava, diamond crystal, and gold with polished coal, petrified wood, and smelted iron, reminiscent of an ultraviolet, gamma,x-radial audiolization. 10 MP3 Songs FOLK: Modern Folk, ROCK: Folk Rock Details: Here is one of our latest reviews made to a criminal authority in our county by our board certified trial advocate. "Your Honor,my clients extrapolated and comprehended this medium and in lieu of said extrapolation did unknowingly perpetrate and experience the accusations for which they were accused. Therefore, we motion for mistrial on basis of a systematic breakdown of their capacity to formulate all that was audiolized." Then he simplified his review, "In other words did they make it more confusing with the sound we thought that they might mean?" Players on this album: Daryle McGowan, Evan Blackmore, The Manships; Dave and Kyle, Charles Vest,and special guest guitarist we hope to have back in the future Danny Higdon. We will be kicking off our lifetime world tour at the world famous Java Roaster, or when we sell just one of these CD's
