. "It's a twang thang." Country/rockabilly with a kick. Story songs about the Southern life. This mixture of toe-tappin' Gospel secular songs will have you singing along... As always, this CD has been "Tuckerized" for your listening protection. 9 MP3 Songs GOSPEL: Country Gospel, COUNTRY: Country Rock Details: This is the Tucker Brothers' first recording... *** Your collection is not complete without it! *** The world is about to discover South Florida's best kept musical secret - The Tucker Brothers! (Be sure to check out their two full-band CDs, "Red Dirt Hill" and "Country Gospel Sounds" to see what the buzz is about.) This CD is a reissue of a rare 1992 recording issued only on cassette, long out of stock. Digitally remastered, it features Tommy Joel playing their new original music. It has a fresh sound, like two kids with new instruments, playing new material with a new attitude. This is the recording that started it all. Jake and Hank joined forces shortly after this, and the rest is musical history. South Florida's favorite "twang" band for nearly 15 years - The Tucker Brothers. They have opened for Willie Nelson, shared the stage with Melanie, Arlo Guthrie, Davy Jones and dozens of other touring bands. Their music is like no other. Their songs are filled with images from their childhood, growing up in the heart of the South, on the buckle of the bible belt. If you love the South, the idea of the South, or just love great country/rockabilly music, you will love The Tucker Brothers. And, as always, this CD has been "Tuckerized" for your listening protection. Buy it today...Your satisfaction is 100 guaranteed!
