GOSPEL: Contemporary Gospel, EASY LISTENING: Mature Details: Mrs. Latisia Renee Wood, known by most as Tisa (Tee-sah) has always known her gift was to sing. She began singing at an early age and throughout high school, Tisa was the lead vocalist in her own band, winning talent contests and performing at venues in the Ft. Pierce Florida area. After college, to which she earned a full scholarship for basketball, Tisa married and now has 3 children. During this time she stayed involved in church, performing the occasional Sunday morning solo, and after much prayer and soul searching, Tisa made the decision to use her vocal ability to sing exclusively in the Gospel/Inspirational music arena. She knew now that her true calling was to inspire, uplift, exhort and positively impact individuals for Christ. Since then, Tisa has been the winner of contests at local radio stations as well as a semi finalist in Bishop Paul Morton's Gospel Dream Talent Search. In 2000 and 2002, Tisa once again won talent contests as 'lead vocalist' of a trio and as 'solo female vocalist'. She has recently appeared on Dr. Bobby Jones new artist Showcase taping and TBN'S "Praise The Lord"-Jacksonville FL. Also Tisa has opened for BIU and VICKIE WINANS. Her songs Psalm 151 and Ordinary Woman, are in rotation in several radio stations nationally. Currently, Tisa has released her new album entitled, "Diary Of An Overcomer". The album is an Urban/Contemporary production. It features all original material written mostly by Tisa, and is packed full of lyrics inspired from Tisa's unique, personal testimony. The album is filled with energy, passion and emotion, and will be an inspiration and comfort to people everywhere. Simply put, Tisa is an artist of pure, real music ministry who has truly lived to "overcome". For Inquires Contact Next Level Gospel Tel: 804.357.4394
