

# Rhythmic Smooth R&b Electric Piano Sound Samples Vol

1

[DOWNLOAD HERE](#)

PRODUCT SUMMARY: You are looking at the Rhythmic R&B Rhodes Series. This Library Includes 155+ Rhode licks sampled from various vintage electric piano instruments and edited with some of the most advanced software programs. There are 6 variations of tempos to choose from in the styles of R&B and Smooth Jazz Music. Samples have been recorded "dry" with a hint of reverb and tremolo, giving the user unlimited flexibility to add their own effects without having to worry about over-processed panning and excess reverb trails on their samples. ----- MAIN PRODUCT FEATURES: -155

Professionally edited one-shot sample licks !! -6 different recorded BPM tempos !! -4 different variations for each tempo !! -Authentic Fender Rhodes Mark II Sound with metal, wood and damper noises !! -Bonus 11+ Free Samples from the KCS Vol 5 Library !! -Instant Download !! ----- TARGETED

MUSIC GENRES: -R&B, Smooth Jazz , Soul, Balled, Contemporary, Jazz Fusion.
