

Supervision In Psychodrama

[DOWNLOAD HERE](#)

Supervision plays an essential role in the process of learning and professional development in psychotherapy and training. High quality in supervision is a crucial part of the training to support and to guide trainees and to be a reliable point of reference in terms of practice and theory, technical and methodological standards, ethical issues, research and evaluation. Therefore, the main purpose of this book is to share ways of doing supervision in psychodrama among supervisors and trainers in different countries and to stimulate further discussion and development.
