Ascension Lauren Dane Kari's simple life is tossed upside down. She's hospitalized after a dog attacks her, her doctor kidnaps her, and now a totally crazy man is telling her that not only is he a werewolf but so is she. And not just any werewolf but the queen! She soon finds out Andreas is telling the truth. Being a werewolf isn't so bad when your husband stands well over six feet, is hotter than a movie star and richer than one too. It doesn't hurt that he adores and spoils her, and the wicked-hot sex is icing on the cake. What girl doesn't like cake? But someone in the Cherchez Pack keeps trying to kill her. Kari is happy belonging to a big family for the first time in her life and she's not going to let one wolf with an axe to grind ruin that. Andreas, Kari and the wolves in the Inner Circle unite to end the threat and find the killer. It's kill or be killed and Kari intends to do the killing. Reader Note: This book features an explicit encounter between two males and a ménage scene.
