When a rogue vampire threatens the truce between vampire and hunters, Byron Sangerian is caught in the middle of an unraveling mystery. The only reality anchoring him to sanity is one, flawed human woman, in a Blood Game he can't seem to win. TO MY READER: Blood Game is the second book in my futuristic Vampire series called Blood Squad. The books in this series hold a special place in my heart, they touch on the healing of love and the need for hope. There are two more stories planned in the series. I hope you enjoy Blood Game, Sara and Byron's story. I know I loved writing it and am thrilled to share their journey with you.
