Finding Her Rhythm Ciana Stone Book 4 in the Sexplorations series. "I'm not interested in love or men." Those words just beg the Fates to make a liar out of you. I started choking on mine the minute I met Dex, a guitarist who makes me want to do more than find my rhythm. Heck, when he touches me with those long fingers, looks at me with those soulful eyes, I sizzle. I'm still not looking for love, but Dex...ah, that man appeals to me like an all-day lollipop, the kind of treat you want to take your time with and get all the sweet. My friends think I should give him a chance-that I need to get my groove back. Maybe they're right...and I know just the man.
