Fires Within by Roxana Blaze : Greek princess Katja McNeal burns for her pirate husband, Rafe, and though they sleep side by side, night after sultry night, they are worlds apart. Legend has it the fountain in their Caribbean island village is magical, and to realize dreams, one need only toss a coin into the pool and whisper a wish to the stone god, Warlun, who oversees the fountain. But after wishing for her husband to find her desirous once again, what Katja does not realize is, Rafe has also made a wish to Warlun. Yet Rafe's secret is so shocking, so deliciously depraved, that the fires within Katja can only do one of two things, extinguish and tear their marriage asunder, or burn so hot and carnal, it brands them together as one. TO MY READERS: I've always been fascinated by fountains filled with people's coins-their most intimate, secret wishes. Each coin has a clandestine story behind it, angst, revenge, tears, love, and even naughtiness. It was with much curiosity that, as the creative writer, I chose to pluck two random coins from a magical fountain on a Caribbean island almost 300 years ago and give them another toss. Who knows what fantasies might come true once those coins tumble back into the pages of my book? ABOUT THE AUTHOR: Roxana Blaze spins her erotic romance tales from her cabin in the

woods of northern Wisconsin, USA. She lives with her hero husband, teenage son, and twins who are currently off to college. Though she has a background in the medical field as a registered nurse, her true passion has always been in literature, reading, and writing. Being a split personality, she's also penned stories under the pseudonym Titania Ladley. Please visit her websites at [RoxanaBlaze](#) and [TitaniaLadley](#) for more information.
