WOULD YOU LIKE A MERSPOUSE? OR MARRIAGE TO A CENTAUR/ESS? Where love leads, people follow. Whether for the love of a sweetheart, a job, or a parent, people extreme choices are sometimes necessary. This unique, ensorcelled collection of fantasy stories from the keyboard of world-famed artist/creator of "photomorphs," Brian Brookwell of the web-based Mermaids Tail galleries, follows people (and others) as they make these choices to get what they want regardless of cost. If you love the work of Jack Vance or Thomas Burnett Swain, you will love such lovers as Willy and Gillian, a honeymoon couple tragically injured in a car accident that leaves them set for life except that she's in a coma. The only hope is an experimental project that will take them from their homes and jobs and drop them in an underwater colony on a world not even in this universe. Willy is faced with losing everything in this world and, becoming a merman, to follow his transformed wife in Deep Love. An unrequited love for the man of her dreams leads a teen to make a deal with an alien. It turns out that the woman of his dreams isn't quite what Kira expected though and she is returned to him a centauress. A junior researcher, as part of an

undercover operation to show a life-changing institute is a fraud, for a talk show or lose a job that can't be lost. Will Gerry become a mermaid to get that Proof? An accident with a magical brew that created a magical evening's fantasy for Jim and Tina becomes a lifetime on a distant water world in Tea for Two. Follow the plight of a desperate alien child accidentally trapped in our universe as it causes havoc attempting to make contact in Open a Channel in this unforgettable collection.
