Oh dear. The curse of the hormones has arrived. Crazy, insatiable, randy, neurotic, raging hormones in all their glory! Seems someone's desperate to get laid and, as the fairer sex remain a mystery to him, he's taking it out on anyone who gets in his way. But the main thing in his way is his friend's bizarre new power of the mind, which came to him when he staggered drunkenly into someone's fist. This new mind control technique is great fun to watch, but what's it really for? Surely there must be a deeper meaning behind it all! Speaking of the depths, something's afoot deep, deep down in a place long forgotten by all of modern humanity. A conspiracy exists, and the world's in the firing line, but will it be able to jump out of the way in time? Somehow our twentysomething bums get mixed up in the whole caper, and the new mental powers prove to be very useful indeed. but is it all one big coincidence? LUST is by far the most erotic tale of the series, but it still finds time for a bit of plot and plenty of farce. As things go from bad to worse to even worse for our heroes, a journey to the darkest corner of the world takes place, but with lots of booze and fags on offer to lessen the shock. After all, who wants to work a regular job in the first place? Author: Gray, J, A Publisher: Tyborne Hill Publishers LLC Illustration: N Language: ENG Title: Lust Pages: 00000
