Slick and professional in the extreme." - Listen.com. I just want to thank you for writing the music you do. I've been through some hard times in the past year, and when people were not there, your music was. The lyrics and tone of your music evokes some very special memories for me, and I know when I want to go back to those memories, I've only to turn on your CD. So again, thank you so much, and keep writing great tunes. B.Snay, NY. I am very impressed. Not that you need me to tell you that you sound good, but it is good music.- J.Price.
