reformist english-euro art rock w/american carismatic influences 9 MP3 Songs Sway 70's Sway Sway Reform-minded Rock The Looking Glaze over Songs Details: ALFAOMAGA released its first album " The Looking Glaze over" in May 1998. In the fine Euro/U.K. Art Rock Genre, ALFAOMAGA has been together since 1996 and are influenced by a plethora of artists. From the Atlanta music scene, ALFAOMAGA also has another album with CDBABY, the May 2000 released "Voices In A Dream". ALFAOMAGA will begin recording its third album in July 2000 as well, with a tour of the Southern U.S. to begin later this fall. Founder and main Composer/Vocalist Vernon B. "Barney" Pearson says , "We want to play in every U.S. state before going to the U.K. and then every country in Europe as well. After that we'll see what then." Each musician in ALFAOMAGA are seasoned veterans whom have played throughout their lives. They're ready to go.
