The reggaeton duo with a sound like no other with ground breaking lyrics and a mixture of styles. 18 MP3 Songs HIP HOP/RAP: Hip Hop, LATIN: Latin Rap Details: Charlie Y Charlie all began with two complete total strangers. Some may say that Carlos and Charles Lopez have met each other coincidently, but we like to say it was meant to happen. Charlie Y Charlies beginnings originate on an airfield at Hickam Air Force Base while on duty. To discover each others raw talents they spent the day freestly using only a cell phone ringer as an instrumental. The following day Carlos and Charles Lopez proceeded to record their first collaboration. From there the refinement of skills and collage of ideas initiated a constant steady pace of writing and producing numerous tracks. To pursue their goals of reaching the main stream media, Charlie Y Charlie produced their first three song demo which was sent to numerous industry leading producers in Puerto Rico. Using only a desktop computer and a microphone in a closet, Charlie Y Charlie composed a five song sampler CD which has caught the ears of producers, promoters, and artists which still to this day is in circulation through underground copies. While promoting their sampler on the Waikiki strip, Charlie Y Charlie encountered a freelance promoter which provided them with their first opportunity to perform live at the Blue Tropics Night Club. After performing, several networking opportunities were rendered, and from there Charlie Y Charlie have been on the scene. Even though reggaeton is a newborn genre, Charlie Y Charlie have established a reputation for making the crowd move. A rapid growing fan base has been cultivated and currently is on a constant rise. Charlie Y Charlies first full length album was released in february 2006. The album contains a mixture of reggaeton, Hip-Hop and tropical sounds. With help from No Mercy Records leading producer, Chris Deshields, Charlie Y Charlie have compiled a production guaranteed to leave music lovers yearning for more. Charlie Y Charlies music is currently playing on radio stations in Puerto Rico and Washington state and guaranteed to be broadcasted

nationwide. These two professional individuals handle all business themselves but are very open minded and cooperative . Charlie Y Charlie are the newest and first hottest reggaeton duo in Hawaii. Expect more to come.
