Pop-Easy listening, Smooth Jazz, Class featuring H. Mack's style is right in the pocket. 11 MP3 Songs  
POP: Today's Top 40, JAZZ: Smooth Jazz Details: Fundamentally Smooth Jazz / Pop oriented, H.mack's sound is uniquely mellow. This talented Songwriter, Bassist, Vocalist has a style that's just starting to catch on. Though he formerly performed with a former motown recording group, The Hearts of Stone and currently performing with the newly formed Smooth Jazz Group, Class, H. Mack launched his solo career Jan/2003 with his debut CD "Old School / New School" and has a follow up CD which is more cutting edge entitled " We The People". Released on Philadel'fia Records. His performance is professionally seasoned with experience / audience participation, and the ladies just love his sexy crooning style. Born and musically breed in Philadelphia, H.Mack has worked with or played for just about every top act that has come out of philly over the last 15 to 20 years. When H. Mack is on stage, be prepared to be entertained.
