

Mp3 Cole'lition - Seventh Power

[DOWNLOAD HERE](#)

Funky, smooth, tasty and full of fat grooves. A mixture of Jazz, R&B, Latin, Gospel and Urban Smooth Jazz style. "After your first taste, I am sure you will find words to describe the journey laid down here. So elevate your mind, discover Cole'lition. 12 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Mature Details: The group Colelition was founded in 1994 by guitarist Michael Cole and founding members Dajari Makena and John Anthony Cole. Colelition blends a wide range of musical styles, from gospel to funk, Brazilian to jazz to deliver their unique sound. Colelition as independent artist has released two CDs and is currently producing a third. This hometown favorite of Seattle/Tacoma has developed a reputation for being virtuoso in their musicianship and presentation. Colelition has shared the stage with national recording artist Roy Ayers and Najee. Colelition also opened for national gospel recording artist BeBe and CeCe Winnans. The group has shared equal billing with artist such as The Whispers, Tony, Toni, Tone, Freddie Jackson and The Ohio Players. For two years, Colelition was the exclusive Jazz artist for the annual Festival at Sea cruise to the Caribbean on Carnival Cruise Lines, where they performed with comedians Mark Curry and Tommy Davidson. The group has played many local venues such as Saltys at Alki, Mc Gowans, Jazzbones, as well as events like The Bite, The Taste and Fourth of Julivars to name a few. Colelition also has been a great addition to corporate events and enjoys a great relationship with Northwest companies and charities. In 1996, Colelition received a Peoples Choice award from Seattles KNHC radio for Best New Jazz Artist. In 1998, Colelition was nominated for a KUBE 93 radio Northwest Artist Award. In 2004 and 2005 the group was a featured artist on 98.9 KWJZ Smooth Jazz Traditions and Trends program. Colelition is featured on the "Rain City" Jazz Compilation CD benefiting "The Millionaires Club Charity" sponsored by Tullys Coffee. The band released their new CD Seventh Power on the Urban Mosaic Record label in January 2006. The disc is a look into Colelitions musical expression

of lifes myriad moods and experiences, through smooth grooves, catchy hooks and tasty improvisational solos.
