Indie/College power-folk 15 MP3 Songs FOLK: Power-folk, ROCK: Acoustic Details: Dave Dault has been performing around the southeast since 1993. Thus far he has shared the stage as an opener for such national favorites as Guided by Voices, Grant Hart, Innocence Mission, Emily Saliers (of the Indigo Girls), Vic Chesnutt, Shawn Mullins and Gerard McHugh. Originally based in Atlanta, Dave has recently relocated to Nashville (more for school than for the music scene) and performs in both cities. This album (from when he fronted the 'philosopher rock' trio FEYERABEND) was recorded back in 1997, and features Athens-scene mainstays JASON NESMITH and KAY STANTON (both now with CASPER AND THE COOKIES) as the rhythm section, as well as guest appearances by a host of Atlanta musicians.
