Press quotes : Pietil injects immediacy and surprise into his playing by going for unplanned gems that like-minded interaction can discover through spontaneous playing. His work is of an always explorative saxophonist, accessible though with a personal perspective toward the music he plays. CD Direct is the work of a jazz artist worth the search.

JAZZREVIEW.COM, Don Williamson while never resorting to the tired bag of tricks that so few have been able to resist before him....And his tone is gorgeous." CADENCE, Robert Spencer By putting texture and interaction over harmonic development and song structure he highlights a larger goal: creating a unified group identity. With a maximum of group interaction, Esa Pietil trio delivers a visceral gut-punch with both urgency and subtlety. ALL ABOUT JAZZ, Matthew Wuetrich
