With echoes of Pink Floyd, Ozric Tentacles, Phil Thornton, this is instrumental music ranging from ambient thru electronic, New Age, Ethnic Rock. Eclectic. 12 MP3 Songs ELECTRONIC: Ambient, WORLD: World Fusion Details: Core artist David Roberts + guests. 1st release "Analogy" (1995). Instrumental music ranging from ambient thru electronic, New Age, Ethnic Rock. Eclectic! "Egyptolgy" was released in late 1999 contains some tasty arabesque keyboard solos as well as some weird sound FX. Drums vary from ethnic stuff to more conventional rock, but do not appear on all tracks. Original sounding - expect the unexpected! Echoes of artists like Pink Floyd, Ozric Tentacles, and Phil Thornton. CD total running time around an hour. David has just (2001/2002) participated in a world/dance/ambient orientated project called "The Buddha Experience" (10 x 2CD boxed project in UK/HOLLAND) with two tracks under his own name one under the name Amoeba290 + playing contributions on a few other tracks. This stuff is for those who want something different modern too. For more info on this, link to philthornton.com
